

Give your Franchise a firm foundation

When you choose NatWest as your business banking partner, you will benefit from our extensive experience in the franchise sector.

We are affiliated members of the British Franchise Association (BFA) and work in partnership with Encouraging Women into Franchise (EWIF).

Accredited Franchise Manager

- Access direct to your local Franchise Manager either face to face, by phone or email
- Help from a dedicated support team
- Help and support that is local to your area
- Online banking

Advice on Risk Management

- Business insurance
- Health & safety
- Employment law
- Environmental law
- Tribunal representation

Start-Up Assistance

- An experienced local service
- Complete support, from day-to-day banking to financial planning for the future
- Access to a network of solicitors and accountants with franchising experience
- Helpful online tools and free seminars
- Simplified banking so you can get on with running your business

Finance

- Up to 70% of start-up costs including working capital
- Flexible loans tailored to your needs
- Unsecured loans for up to £50,000
- Commercial mortgages also available at up to 75% Loan To Value
- Capital repayment holidays. (Interest is charged during the period of underpayment. Your monthly payments may increase afterwards to include the element of capital which would have been applied during the repayment holiday)
- Business overdraft
- NatWest Business Credit and Business Debit card
- Asset finance (e.g. vehicles or catering equipment)

Some other reasons to bank with us include

- Access Path, a free online library of content to assist you with GDPR enquiries, support with employment issues and recruiting in your team
- Our NatWest Business Hub offers free digital support including insight from successful business owners, articles, videos and live webinars from industry experts
- Access to FreeAgent – Our digital accounting system which supports the government initiative to make tax digital, ending the need for tax returns. FreeAgent has many other features which may support you in managing your business

For more information

Whether you're starting out or already established as a franchisee, we aim to offer a level of experience and support unmatched by other banks. So why not contact our dedicated franchise team to find out how we can help you?
