5. How we will use and share your information

(a) Credit reference and fraud prevention agencies

We may request information about you/your business and the proprietors of that business from credit reference agencies to help verify your identity, and to check your credit status to help assess what product you are most suitable for and/or your ability to repay any credit. Those agencies may keep a record of our request(s) and this may affect your ability to obtain credit elsewhere.

While you have a relationship with us, we will continue to share information with credit reference agencies about how you manage your account including your account balance, the regularity of payments being made, credit limits and any arrears or default in making payments. This information will be made available to other organisations.

When assessing this application, we may consider any financial connections you have with third parties (for example from any joint accounts or joint mortgage you hold/have held). If this is a joint application then a new financial connection may be created. Any financial connection will remain on your record until you request the third party's information to be removed from your record by filing a "notice of disassociation" with the credit reference agencies.

Further information about credit reference agencies, how they use personal information, and financial connections and how they may be ended, can be obtained from the credit reference agencies. The main agencies we use are Experian (www.experian.co.uk/crain), Equifax (www.equifax.co.uk/crain) and Callcredit (www.callcredit.co.uk/crain). We may use other agencies from time to time. For more information about the agencies we use, see Section 11 of our main privacy notice (Credit reference and fraud prevention agencies).

Application decisions may be taken based on solely automated checks of information from credit reference agencies and internal NatWest Group records. You have rights in relation to automated decision making. If you want to know more please see our full privacy notice at www.ulsterbank.co.uk/privacy or contact your Relationship Manager.

In order to prevent and detect fraud and/or money laundering, the information provided in this application may be checked with fraud prevention agencies. If fraud is identified or suspected details may be recorded with these agencies to prevent fraud and money laundering.

If we, or a fraud prevention agency, determine that you pose a fraud or money laundering risk, we may refuse to provide the services and financing to you.

When credit reference and fraud prevention agencies process your information, they do so on the basis that they have a legitimate interest in preventing fraud and money laundering, to protect their business and to comply with laws that apply to them.

(b) With other NatWest Group companies

We and other NatWest Group companies worldwide will use the information you supply in this application (and any information we or other NatWest Group companies may already hold about you) in connection with processing your application and assess your suitability for our products.

If your application is declined we will normally keep your information for up to 5 years, but we may keep it for longer if required by us or other NatWest Group companies in order to comply with legal and regulatory requirements. We and other NatWest Group companies may use your information in order to improve the relevance of our products and marketing.

(c) With other Third Parties

The information provided in this application may be used for compliance with legal and regulatory screening requirements, including confirming your eligibility to hold a UK bank account and sanctions screening. We may be required to disclose certain information to regulators, government bodies and similar organisations around the world, including the name, address, tax number, account number(s), total gross amount of interest paid or credited to the account and the balance or value of the account(s) of our customers to HM Revenue and Customs (“HMRC”). HMRC may exchange this information with other countries’ tax authorities.

NatWest Group would like to keep you informed about products, services and offers that we believe may be of interest to you. If you would prefer not to receive this information by any or all of the methods below, please place a cross in the relevant boxes (if you leave these boxes blank we will assume that you are happy to be contacted by these methods):

- Letter

NatWest Group will not share your information with third parties for their own marketing purposes.

7. Communications about your account

Notwithstanding your marketing choices above, we will contact you with information relevant to the operation and maintenance of your account by a variety of means including online banking, mobile banking, email, text message, post and/or telephone.

- You will be enrolled to receive Act Now Alerts when providing a valid mobile number (which will tell you when you use an unarranged overdraft or are about to have a payment rejected). If you have one, you will also be enrolled to receive text/push alerts when you use your arranged overdraft.
- If no valid mobile number is provided/held enrolment cannot occur.
- Being enrolled for these overdraft alerts will help you stay aware of your overdraft use and manage the costs more efficiently, and not being enrolled may lead to you incurring avoidable overdraft charges.
- You can select how you wish to receive your alerts or switch them off by using online banking, via ‘message us’ in the mobile app, by calling us or at your local branch.
