General Conditions

1 Cards

- (a) We will issue a card and **PIN** (personal identification number) to you and open an account. You may request the issue of cards and PIN(s) to others but we may decide not to issue them or to limit the number issued.
- (b) You (and any additional cardholder) must:
 - sign the card when received and follow any activation procedures;
 - keep each card secure and not allow any other person to use it;
 - keep all your **Security Details** (including passwords, log-in details for telephone, mobile or online banking and PINs) safe and take all reasonable precautions to prevent them becoming known to any person who is not authorised to access your account and prevent their fraudulent use (including not recording them in a way that could allow another person to access them);
 - be aware that if you give your online Security Details to a third party provider, we're not responsible for what they do with your details or account information;
 - keep your card secure at all times and not let anyone else use it; and
 - if you're logged on to online or mobile banking, not leave the device (for example, the mobile phone or computer) you're using unattended and make sure that any information stored or displayed on your device is kept secure.

We'll never ask you to disclose your full Security Details to us or to any other person or organisation. Even if the person requesting your Security Details is using our name and logo and appears to be genuine, you must not share your Security Details with them. Some third party providers might ask you for your online Security Details to provide their service to you. If you decide to give them this information, this means that they'll be able to see and do anything you can on your account.

- (c) You (and any additional cardholder) must not:
 - exceed your Credit Limit or Advance Limit;
 - use a card after it has expired or been cancelled;
 - use a card for illegal purposes.
- (d) We may reissue a card or issue a different card type from the one you applied for and your account number may change.

2 Card transactions

- (a) You (and any additional cardholder) may carry out transactions with the card or card number, after we have opened the account, by following any procedures required and you must pay all amounts charged to the account.
- (b) Any transaction in a foreign currency will be converted to sterling at the **Payment Scheme Exchange Rate** (the rate provided by Visa, Mastercard or any other payment scheme), at the date of application to the account. For information on exchange rates you can call the number at the end of these General Conditions or visit the website of the payment scheme shown on your card (for example, Visa or Mastercard).
- (c) Provided you do not exceed the Credit Limit or Advance Limit, you (or any additional cardholder) can use a card to withdraw cash from cash machines up to your daily cash withdrawal limit. This limit applies to withdrawals inside and outside the UK and we may change it from time to time. You will be charged the Cash Fee and interest at the Advances rate for these withdrawals.
- (d) You and any additional cardholder you have authorised may make Money Transfers and Balance Transfers. If we receive a Balance Transfer or Money Transfer instruction:
 - before 6pm on a business day, it will reach the other bank or lender on the next business day;
 - on a non-business day (i.e. the weekend or a bank holiday) or after 6pm on a business day, we will treat it as received on the next business day and it will reach the other bank or lender on the business day after that.

Please make sure that you provide us with correct details for the other account, including the credit card number for a Balance Transfer and the account number and sort code for a Money Transfer.

If incorrect details are provided for a Money Transfer or Balance Transfer it may not be completed or payment may go to the wrong account. We will make reasonable efforts to recover the payment and may charge you our reasonable costs. If we are unable to recover the payment, you can ask us to send you available information on it so that you can attempt recovery. Where correct details are provided, but there is an error in making the Money Transfer or Balance Transfer:

- you must tell us about this without undue delay and in any event no later than 13 months after the date on which the transaction was debited to your account by calling the number at the end of these General Conditions;
 - you can ask us to investigate what has happened to the payment;
 - if the error is our fault, we will refund the amount of the payment, plus any extra interest and charges that you incur on your accounts as a result; and
 - if the payment arrives late, you can ask us to request that the other bank or lender treats it as made on time (this may require them to refund interest and charges incurred on the account receiving the payment).
- (e) A transaction is authorised where you (or an additional cardholder):
- follow the procedures required by the merchant, which may include:
 - entering the PIN or providing any other security code;
 - signing a sales voucher;
 - providing any details requested;
 - using a card reader; or
 - using a contactless payment unit.
 - use a card and PIN to obtain an Advance at a machine or bank counter;
 - provide the card details to us to request a Balance Transfer, Advance, or Money Transfer;
 - orally or in writing consent to the transaction after it has taken place; or
 - by any other means we tell you are available.

Authorisation can cover single transactions or Recurring Transactions, or a future transaction of a certain or uncertain amount.

Recurring Transactions are regular payments (including for an indefinite period) that you (or an additional cardholder) authorise a third party to collect from your account. Recurring Transactions are not covered by the Direct Debit Guarantee.

- (f) We may refuse a transaction if:
- we suspect the card has been lost or stolen;
 - processing the transaction would break the terms of this Agreement;
 - you have broken the terms of this Agreement in a serious way;
 - you would go over your Credit Limit or Advance Limit (taking account of any amounts yet to be applied);
 - we believe your account is being used for illegal purposes (such as money laundering);
 - we believe there has been fraud on your account or it is at risk of someone using it to make a fraudulent or unauthorised transaction;
 - we reasonably believe that you (or an additional cardholder) did not authorise the instruction;
 - the merchant involved falls within a category that we have determined poses a high risk of not providing the goods or services you are expecting;
 - as a result of a change in the way you operate your account or in your financial circumstances, we reasonably believe that you may have difficulty in meeting your commitments;
 - you use a service that we offer to restrict transactions of that type or to suspend your card.

If we refuse a transaction, we will, if possible, give you the reason for the refusal and you may be able to correct any information which led to it. You can obtain this information about the refusal by calling the number provided at the end of these General Conditions. We may also tell you orally or in writing.

- (g) Generally, once authorised, a transaction cannot be stopped, although we may be able to stop it if we receive satisfactory evidence that it has been cancelled. You may cancel Recurring Transactions either by telephoning us on 0345 300 4642 for Classic and Student cardholders, 0345 300 4643 for Gold cardholders and 0345 301 7628 for World cardholders (Minicom 0370 154 1192 for all cardholders) or by contacting the merchant, in each case by the end of the business day before the next transaction is due to be made. If you request us to cancel Recurring Transactions, we advise that you should also give notice of the cancellation to the merchant because such cancellation does not affect any continuing obligation you may have to the merchant.
- (h) If you use your card to pay a merchant, we will only make the payment when we receive the request from the merchant's bank. This means there may be a delay between using your card to make a payment and the transaction appearing on your account. The transaction will show on your account within one business day of us receiving the request for it.
- (i) If you have received unsatisfactory goods or services paid for with your card, costing over £100 but not more than £30,000, or if a merchant has otherwise broken their agreement with you or misrepresented these goods or services, you may have a claim against us as well as the merchant under section 75 of the Consumer Credit Act 1974.
- (j) We do not guarantee that a card or card details will be accepted. We are not liable if any merchant or machine fails to let you (or an additional cardholder) pay or withdraw cash or we cannot provide any part of our service for a reason beyond our control.
- (k) You may sometimes use your card to authorise a transaction where the amount to be paid is not known, for example when you check into a hotel or hire a car. If this happens you should be asked to confirm the exact amount that will be blocked on your account. If you have agreed that an exact amount can be blocked, we will reduce your available credit and that amount will not be available for you to use. Once we become aware of the amount of the transaction, we will release the blocked funds and restore your available credit. Please note that if you make the payment using a different card or payment method (for example cash), we will not know that payment has been made and it may take us longer to restore your available credit, but we will usually release the blocked funds within 7 days.
- (l) If you do not know the final payment amount when you authorise a transaction, we will refund you, provided:
- the amount of the payment exceeded what you could reasonably have expected to pay (excluding increases resulting from exchange rate fluctuations);
 - the payment was made in the European Economic Area; and
 - you ask for a refund within 8 weeks of the date the payment left your account.

You won't be refunded if you gave your consent to the payment directly to us and, at least 4 weeks in advance:

- we or the merchant provided you with information about the payment; or
- information about the payment was made available to you (for example, at any branch or through online banking).

We may ask you for additional information to decide whether you should be refunded. We'll refund you, or explain why we're refusing the refund, within 10 business days of your request for a refund or (if we've asked you for additional information) within 10 business days of us receiving that information.

3 Statements

Monthly statements will be issued to provide you with details of payments and all amounts charged to your account since your previous statement.

4 Charges and tax

- (a) You must pay the charges set out in the Charges Tariff, together with any tax, duty or other charge required to be paid to any authority, which will be applied to your account.
- (b) You must pay any reasonable costs we incur in enforcing payment, after as well as before any court order, including the cost of finding you if you change your address but do not tell us.

5 Calculation of interest

- (a) Interest is charged on Purchases, Advances, Money Transfers and Balance Transfers from the date the transaction is applied to the account until paid.
- (b) Interest accrues on fees and charges, except annual fees. This interest accrues at the Purchases rate and is charged from the date of application to the account until paid. Default Charge interest will not be charged before expiry of any deferral period required by law.
- (c) Interest on interest accrues at the same rate as the category of transaction, fee or charge on which interest is charged, from the date that interest is applied. We do not charge interest on interest for Default Charges.
- (d) Interest is calculated using a daily interest rate (derived from the Annual Rate) on the average daily balance since the previous statement date.
- (e) Your statement will show a balance and a payment date. If you pay the full balance **and** also paid the full balance on the previous month's statement by the relevant payment dates, you will not have to pay interest on Purchases. Interest is applied to your account on the statement date but, when necessary, an adjustment (to include interest on Purchases) will be made on the next statement.
- (f) Interest will continue to be charged after any court order for payment until it is satisfied.

6 Payments

- (a) Payments to your account will not reduce a balance until the payment is cleared. Your monthly statement includes information about clearance periods.
- (b) You cannot choose how a payment is applied to your account. We apply any payments you make to your account in the following order:
 - to reduce sums shown on your most recent monthly statement, according to their interest rates, with the highest rate paid first; and
 - if any payment exceeds your most recent monthly statement balance, the excess will then be applied to reduce sums charged to your account but not yet shown on any monthly statement. This is also done according to their interest rates, with the highest interest rate paid first.
- (c) If parts of either of the balances referred to in (b) have the same:
 - interest rate, sums on which interest is charged on interest will reduce first;
 - special offer interest rate, they will be reduced according to their special offer expiry dates, with the earlier paid first.
- (d) We treat any payments made to your account as reducing overdue amounts from previous monthly statements before reducing the Minimum Payment.
- (e) We may give notice allowing you not to make a Minimum Payment. If so, interest will still accrue.
- (f) If a payment is made to your account and the payer's bank tells us that it is a mistake, we may pass them your contact details so that they can discuss the payment with you. This will happen if you tell us that the payment has been made correctly or do not respond when we ask you about it.

7 Lost or stolen cards

- (a) If a card is lost or stolen, or you suspect it is lost or stolen, or that someone who is not authorised to access your account knows its details, or your Security Details, or that a card, its details or its Security Details were used without your agreement, you must tell us immediately. The address and telephone numbers are at the end of these General Conditions, and you can also call us from a branch.

- (b) If a card is misused before you report its loss or theft, or that someone else knows the Security Details, you will only have to pay up to £35 for any misuse.
But if the card or its details, or its Security Details are misused by someone who has them with your permission, you will have to pay for all transactions. Once you have given notice of loss, theft or possible misuse, we will cancel the card and you will not be liable for any further transactions. If you then find the card you must not use it. To prevent fraud, cut it in half through the signature box, magnetic strip and chip.
- (c) We may give any appropriate third party information:
- in connection with the use, loss, or theft of the card, and/or the Security Details; or
 - in order to meet our obligations as a member of the relevant payment scheme.
- (d) If we know or suspect that your card or its details, or Security Details have been used without your agreement, we will contact you using the most recent details we hold for you. We may do so using any of the means of communication set out at General Condition 10. Remember, we'll never ask you to disclose your full Security Details to us or to any other person or organisation.

8 Ending or restricting use of a card or account and ending the Agreement

- (a) If we have a good reason, including if:
- you break this Agreement in a serious way;
 - we notify you that we are closing your card;
 - we believe your account is being used for illegal purposes (such as money laundering);
 - we believe there has been fraud on your account or it is at risk of someone using it to make a fraudulent or unauthorised transaction;
 - there is a change in how you operate your account or your financial circumstances giving us reasonable grounds to believe you may have difficulty meeting your commitments; or
 - you pay off more interest, fees and charges than other amounts over two, consecutive 18-month periods and do not then agree to increase your payments when we ask,
- we may suspend, restrict or withdraw the use of any card or the account and/or reduce the Credit Limit and Advance Limit at any time. Any merchant or machine may then retain any card. You will be told before this action is taken, or as soon as possible afterwards. You may request restoration of a card and/or the account by calling the number at the end of these General Conditions.
- (b) As part of our fraud prevention policy, we may:
- restrict overpayments to your account that are in excess of your balance;
 - suspend or restrict the ability to carry out Balance Transfers and/or Money Transfers on our credit cards – we will only do so where we reasonably consider that the level of fraud on Balance Transfers and/or Money Transfers is so high that there is a real risk of any such transaction being fraudulent.
- (c) This Agreement has no minimum duration but you may end it by giving notice and paying all sums owed and any interest, fees and charges to the date of payment. We will refund a proportionate part of any annual fee. To prevent fraud, cut all cards in half through the signature box, magnetic strip and chip.
- (d) We may end the Agreement at any time after giving you written notice, which in normal circumstances will not be less than two months. When this happens we may give information about you and the account to credit reference agencies.
- (e) When the Agreement ends we will continue to apply interest and charges until you have paid everything you owe under the Agreement.
- (f) We may take immediate steps to recover all amounts due on your death or bankruptcy or if you break this Agreement. Such steps will include serving any notice or obtaining a court order if required by law.

- (g) We own any cards issued by us and, if we ask, you must return a cancelled card.

- any interest rate;
 - the Charges Tariff (including introducing new fees or charges);

- (d) We may change or withdraw any benefits or services associated with the card, or change the provider of those benefits or services, at any time. We will give you at least 30 days' prior written notice before doing this.
- (e) If you tell us that you want to close your account within 60 days of the date shown on any notice we send advising you of an interest rate increase, the increase will not apply.
