Additional information

Closing your Help to Buy ISA and claiming your bonus

When you are ready to buy your first home you must request to close your Help to Buy: ISA. You can do this over the phone, or by giving written notice to your branch either by post or by handing it in. Any withdrawals you make before closing your account will reduce the value of the bonus you can claim.

We will then arrange to close your account, which can take up to 5 working days.

Within 5 working days of your account being closed, we will send you a Closing Document, which your conveyancer (the party acting on your behalf to purchase the property) will need to claim the bonus from the UK Government.

You have up to 12 months from closing your Help to Buy: ISA to claim your bonus but this should be done as soon as possible to make sure the bonus is received before you are due to complete the purchase of your new home.

The bonus will be paid directly to your conveyancer, who will add it to your deposit and mortgage funds to make up the total purchase price of your new home.

Please note your closing balance must be at least £1,600 in order to obtain a bonus, so opening an account does not guarantee you will be entitled to a bonus. The maximum bonus you can earn is £3,000.

Additionally, there is a maximum property price beyond which a bonus will not be payable. For more information on the Help to Buy: ISA Scheme (including how to claim your bonus from HM Treasury), please refer to the Help to Buy: ISA Scheme Rules at www.help2obuy.gov.uk/isa

Cash Card Fees

(For Cash ISA, Easy Access and urmoney accounts)

Charges for using your cash card

Sometimes we'll charge you fees for using your cash card to access your money. We've explained these fees and when they'll be charged below, but this doesn't include any fees a third party might charge you (for example, a cash machine fee):

Transaction type

Withdrawing foreign currency from a cash machine in the UK.

Cash withdrawals from a cash machine outside the UK.

Charges

Foreign Cash Fee of 2.25% of the value of transaction (minimum £2, maximum £5);

AND

Non-Sterling Transaction Fee of 2.65% of the value of the transaction.

(If you ask for a transaction to be converted into pounds Sterling at the point of sale or withdrawal, we won't charge a Non-Sterling Transaction Fee.)

Where a fee is shown as a percentage, this means a percentage of the value of the transaction in pounds Sterling. We'll convert any payment made in a foreign currency using your cash card into pounds Sterling using the **Visa Payment Scheme Exchange Rate**. If you'd like to see the most up-to-date exchange rates you can visit [visaeurope.com](https://www.visaeurope.com) and click on the Cardholders section.
